

Opportunity

Profession: Physician
Specialty: General Surgeon
Company: Surgery Specialists of Green Bay
Location: Green Bay, Wisconsin

Job Description

Seeking a board eligible or board certified general surgeon to join a well established general, bariatric, and vascular surgery practice

We offer an outstanding opportunity for a general, vascular, and/or bariatric surgeon position located in Green Bay Wisconsin. A highly successful and well established surgical practice is seeking an additional partner for the three surgeon practice. We currently perform a very diverse array of surgical procedures which include all general and vascular surgery as well as upper and lower endoscopy. We also perform advanced laparoscopic and laparoscopic bariatric surgery, colorectal and general abdominal surgery.

Here are some reasons why you should consider joining our practice:

- Excellent compensation package with bonus potential
- A short-term timeline to partnership
- Generous CME allowance
- Relocation expenses
- Dedicated referral base consisting of 20+ clinics and 75+ primary care providers

Community Profile

Green Bay, the oldest settlement in the Midwest, has a rich culture and history. Recognized as the hub of Northeastern Wisconsin, it sits on the Southern shores of the waters of Green Bay, 100 miles from Milwaukee and 200 miles from Chicago.

Greater Green Bay is a regional center for healthcare services, transportation, higher education, broadcast communications, as well as all types of service, retail, and manufacturing activity in Northeastern Wisconsin. With a population of approximately 102,000, and a regional referral population of 500,000+; Green Bay has all the advantages of a big city, while retaining the charm of a safe, family-oriented community.

Recreational activities are plentiful in any season. Boating and fishing on one of the many area rivers, the bay of Green Bay, or Lake Michigan are popular activities during the warmer months for the sports enthusiast. Nature lovers can take advantage of the scenic countryside by hiking, bicycling, or camping. In the winter months continue to enjoy outside recreation by sledding, cross-country or downhill skiing, or if you prefer, snowmobiling along one of the many trails that crisscross the country side. The region boasts many resorts that attract visitors from neighboring states.

Sports fans have plenty of opportunity to watch professional games, including Green Bay Packers football, Green Bay Bull Frogs minor league baseball, the Green Bay Bombers indoor football, and the Green Bay Gamblers hockey. Green Bay is also home to a world-class performing arts center, two symphony orchestras, comedy clubs, museums, zoos, and a wildlife sanctuary. The University of Wisconsin – Green Bay and St. Norbert's College add to the local amenities.
