## Integrative Medicine Physician ~ Bellin Health System, Inc.

For 100+ years, Bellin Health has been providing high-quality care to the people of Northeast Wisconsin. During the years, our focus has remained unchanged. To better the health and wellness of our patients and give back to the community.

An excellent opportunity exists for a BC/BE Family Medicine physician with an interest/experience or BC in Integrative Holistic Medicine. Team members of Bellin's Center for Health & Healing work together with the patients to develop an individualized approach to health and disease management. The core of the health system is the Bellin Medical Group, a group of 85 primary care providers, predominantly family physicians. The system also includes access to a full complement of specialty partners.

In addition to a rewarding practice, you can enjoy a high quality of life:

- On-call support, including 24-hour RN telephone triage
- Excellent income potential ~ well above national averages
- Comprehensive benefits package ~ Dental & Health Insurance
- 401(k) Plus Retirement Plan
- Relocation Expense Allowance

## Community, Facility & Organization

Green Bay, the oldest settlement in the Midwest, has a rich culture and history. Recognized as the hub of Northeastern Wisconsin, it sits on the Southern shores of the waters of Green Bay, 100 miles from Milwaukee and 200 miles from Chicago.

Greater Green Bay is a regional center for healthcare services, transportation, higher education, broadcast communications, as well as all types of service, retail, and manufacturing activity in Northeastern Wisconsin.

With a population of approximately 104,000, Green Bay has all the advantages of a big city, while retaining the charm of a safe, family-oriented community.

- Brown County has a population of 245,000, and a regional referral population of 500,000+
- 1999 All-American City

Recreational activities are plentiful in any season. Boating and fishing on one of the many area rivers, the bay of Green Bay, or Lake Michigan are popular activities during the warmer months for the sports enthusiast. Nature lovers can take advantage of the scenic countryside by hiking, bicycling, or camping. In the winter months continue to enjoy outside recreation by sledding, cross-country or downhill skiing, or if you prefer, snowmobiling along one of the many trails that crisscross the countryside. The region boasts many resorts that attract visitors from neighboring states.

Sports fans have plenty of opportunity to watch professional games, including Green Bay Packers football, Timber Rattlers minor league baseball, the Green Bay Bombers indoor football, and the Green Bay Gamblers hockey.

Green Bay is also home to a world-class performing arts center, two symphony orchestras, comedy clubs, museums, zoos, and a wildlife sanctuary. The University of Wisconsin – Green Bay and St. Norbert's college add to the local amenities.
