

Opportunity

Profession: Physician

Specialty: Neurologist

Company: Neurology Consultants of NE WI

Location: Green Bay, Wisconsin

Job Description

Well-Established, Highly Regarded Private Neurology Group Seeking Partner

Consider joining a well-established and highly regarded neurology group that is currently seeking a seventh colleague. This opportunity offers excellent potential for an outpatient practice; one of the partners functions as a Hospitalist. Also within the group is a highly experienced APNP (<http://www.nc-new.yourmd.com/>). The need for an additional neurologist is due to the area's growing population and expansion of the practice. This independent practice is located on campus with two major Green Bay hospitals. We are regionally linked to a five-county referral base with a population in excess of 450,000. Green Bay serves as a regional medical center providing comprehensive health care for all of northeastern Wisconsin and the upper peninsula of Michigan. We offer a stable delivery system www.pplpho.org/opp/delivery.shtml

Here are reasons why you should consider joining our team:

- Extremely competitive compensation with full benefit package.
- 1:6 call ratio
- Dedicated referral base consisting of 28 clinics and 80+ providers.
- Large practice load, excellent income potential.
- Strong support from 150+ affiliated independent specialists representing all major clinical specialties.
- Beautiful area with numerous lakes and unlimited water access, high quality of living, good growth, low unemployment, excellent schools, family-focused, and a tremendous number of recreational and cultural activities available.
- Home of the NFL Green Bay Packers, Division 1 College Basketball, and semi-pro Hockey.
- Abundant youth programs in sports, cultural and recreational activities.

Community Profile

Green Bay, the oldest settlement in the Midwest, has a rich culture and history. Recognized as the hub of Northeastern Wisconsin, it sits on the Southern shores of the waters of Green Bay, 100 miles from Milwaukee and 200 miles from Chicago.

Greater Green Bay is a regional center for healthcare services, transportation, higher education, broadcast communications, as well as all types of service, retail, and manufacturing activity in Northeastern Wisconsin.

With a population of approximately 102,000, and a regional referral population of 500,000+; Green Bay has all the advantages of a big city, while retaining the charm of a safe, family-oriented community.

Recreational activities are plentiful in any season. Boating and fishing on one of the many area rivers, the bay of Green Bay, or Lake Michigan are popular activities during the warmer months for the sports enthusiast. Nature lovers can take advantage of the scenic countryside by hiking, bicycling, or camping. In the winter months continue to enjoy outside recreation by sledding, cross-country or downhill skiing, or if you prefer, snowmobile along one of the many trails that crisscross the countryside. The region boasts many resorts that attract visitors from neighboring states.

Sports fans have plenty of opportunity to watch professional games, including Green Bay Packers football, Timber Rattlers minor league baseball, the Green Bay Bombers indoor football, and the Green Bay Gamblers hockey. Green Bay is also home to a world-class performing arts center, two symphony orchestras, comedy clubs, museums, zoos, and a wildlife sanctuary. The University of Wisconsin - Green Bay and St. Norbert's college add to the local amenities.
