Pulmonary Critical Care Intensivist ~ Bellin Health System ~ Green Bay, WI

With Growth Comes Change . . .

Consider joining a nationally recognized health care system in beautiful Green Bay, Wisconsin (www.bellin.org). Bellin Health is expanding their services and is seeking to employ a third Critical Care provider to join our current team. This opportunity will require qualified candidates who are board certified in both Critical Care and Pulmonology. This candidate will be responsible for inpatient services in our state-of-the-art critical care unit to include a full spectrum of pulmonary services. Opportunities exist for administrative duties as well as the potential for building a pulmonary outpatient practice.

Bellin Health serves as a regional medical center providing comprehensive health care for all northeastern Wisconsin and the upper peninsula of Michigan.

Serving our community for 100+ years, we offer a stable delivery system with . . .

- Extremely competitive compensation with full benefit package.
- Signing Bonus
- Relocation Expenses
- State of the Art Health Care Facility
- Highly Competent Staff
- Dedicated referral base consisting of 28 clinics and 80+ primary care providers.
- Strong support from 140+ affiliated independent specialists representing all major clinical specialties.
- Beautiful area with numerous lakes and unlimited water access, high quality of living, strong economic and population growth, low unemployment, excellent schools, family-focused and a tremendous number of recreational and cultural activities available.
- Home of the NFL Green Bay Packers, Division 1 College Basketball and semi-pro Hockey.
- Abundant youth programs in sports, cultural and recreational activities.

Community, Facility & Organization

Physician Partners, Ltd. (PPL) is a Physician Hospital Organization located in Green Bay, Wisconsin. We have created an organized structure for independent physicians and Bellin Health to join forces and vigorously compete for dominant market share in our region. Members share an independent entrepreneurial spirit, and working together as a team to demonstrate our value to our patients, employers, communities, and payers.

Green Bay, the oldest settlement in the Midwest, has a rich culture and history. Recognized as the hub of Northeastern Wisconsin, it sits on the Southern shores of the waters of Green Bay, 100 miles from Milwaukee and 200 miles from Chicago.

Greater Green Bay is a regional center for healthcare services, transportation, higher education, broadcast communications, as well as all types of service, retail, and manufacturing activity in Northeastern Wisconsin.

With a population of approximately 104,000, Green Bay has all the advantages of a big city, while retaining the charm of a safe, family-oriented community.

- Brown County has a population of 245,000, and a regional referral population of 500,000+
- 1999 All-American City
- Top 10 safest cities (with population over 100,000)
- Top 30 kid-friendly cities in the U.S. by Zero Population Growth
- Top 50 Reader's Digest Best Places to Raise a Family
- Top 125 Best Places to Live by Money

Recreational activities are plentiful in any season. Boating and fishing on one of the many area rivers, the bay of Green Bay, or Lake Michigan are popular activities during the warmer months for the sports enthusiast. Nature lovers can take advantage of the scenic countryside by hiking, bicycling, or camping. In the winter months continue to enjoy outside recreation by sledding, cross-country or downhill skiing, or if you prefer, snowmobiling along one of the many trails that crisscross the countryside. The region boasts many resorts that attract visitors from neighboring states.

Sports fans have plenty of opportunity to watch professional games, including Green Bay Packers football, Timber Rattlers minor league baseball, the Green Bay Bombers indoor football, and the Green Bay Gamblers hockey.

Green Bay is also home to a world-class performing arts center, two symphony orchestras, comedy clubs, museums, zoos, and a wildlife sanctuary. The University of Wisconsin – Green Bay and St. Norbert's college add to the local amenities.
